Headline:
Dry with some very warm sunshine, patchy coastal cloud.

This Evening and Tonight:
Dry with some warm sunshine in many areas this evening. However, low cloud and mist around the north coast will become more extensive, affecting much of the north and east overnight. Mainly clear through Lochaber and Lochalsh. Minimum temperature 12 deg C (54 deg F).

Thursday:
Low cloud and mist burning back to coasts where it may linger, otherwise dry and sunny. Very warm, locally hot through Lochaber and southern parts of the Great Glen. Maximum temperature 28 deg C (82 deg F).

Outlook for Friday to Sunday:
Remaining dry and mainly sunny, overnight low cloud mostly burning off in the mornings. Very warm, locally hot in the south and west. East coast somewhat cooler.
